

For Internal Use Only:

Account Number: _____

REQUEST FOR PASSWORD/SECRET QUESTION

Account number you would like to password protect:

Password Selected (a password may be any length and combination of **numbers and letters**, no symbols. The password is not case sensitive). You may use this area to add or change a password on an account, or to verify that you are authorized to add a secret question. Check the action you would like to perform and enter the appropriate password.

- Add new password (Enter new password)
- Change password (Enter password you would like to change to)
- Add secret question. (Enter existing password to verify you are authorized on account)

Secret Question/Answer You have the option to select a Secret Question/Answer, which will provide access to your account if you forget your password. You must establish a password for your account before adding a Secret Question. If you have already established a password, or are adding a new password, please indicate it on the line provided above. Select (x) one of the secret questions shown below and enter your answer in the space provided.

- What was your first job?
- Who is your favorite sports figure?
- What is the name of your favorite teacher?
- What is the name of the street you grew up on?
- What was the name of your first pet?

Answer _____

I request the above password/secret question to be added to or changed my Cellcom account as indicated above. I understand that I or any authorized individuals on my account may be asked to verify this password/secret question when contacting a Cellcom representative regarding the above-mentioned account. I certify that I am the financially responsible person or authorized party (business account) on behalf of the above-mentioned account.
